TBS Summer 2023 Read-a-thon!

Join us on our Summer Read-a-thon and see where your reading takes you! We'll start the Read-a-thon on Friday, June 2, 2023 and end Monday, August 28, 2023.

Each time you read a book for the specified number minutes, ask your parents to initial a box on your map. If you read every day, you'll finish the route! But of course, you can read more! If you finish the route, you can start over and write your initials over the box.

Each box represents 15 or 30 minutes, depending on the age of the child:

- **Going into Kindergarten** - Parents read to the child for 15 minutes per block.
- **Kindergarten and 1st Grade** - Parents read to the child or the child reads for 15 minutes per block.
- **2nd - 12th Grades** - Students read for 30 minutes per block.

Incoming students are also included!

Staff and teachers are encouraged to participate too. Can you read more than your teacher?

You can read any kind of book for this Read-a-thon. Record the books you have read and give each book a rating, so we can see the books you enjoyed this summer.

Prizes will be given to all finishers and we will award Grand Prizes to the top readers in Elementary School (K-6th) and Secondary School (7-12th). You'll be able to choose between a new pair of rollerblades or an Amazon Gift Card.
