The School Administrator will inform applicants of the decision of the TBS School Board.

TBS SCHOLARSHIP CRITERIA

- Award amounts and beneficiary families will be decided by TBS School Board.
- Scholarship amounts will range from a minimum of \$250 per semester.
- Financial criteria used to determine beneficiary families and amounts will include but not be limited to income levels and number of family members, TBS school costs as a percent of gross family income (the target would be to consider families whose ratio exceeds 15%), recent changes in employment status, and recent discretionary family spending.

All interested families must fill out an application in order to be considered for assistance. The TBS School Board upon the recommendation of the Educational Committee will make the final decision as to an award amount (if any).
