

School Uniform Information

2022-2023

Since we are implementing a uniform this year, I have included information from the handbook here for your convenience. All uniform orders will be placed through Schoolbelles, our supplier, and their customer service department can answer any questions you have about sizing (1-888-637-3037).

School Uniforms

The school uniform provides for a neat, modest, and appropriate outfit that promotes school spirit and unity. Unless otherwise specified, all students are required to wear the school uniform for school and school events and must follow the dress guidelines for activities on campus or away. The uniform must be purchased through our supplier and must be the items our school has selected for the gender of the student.

Students should dress neatly, not sloppily. Uniform shirts should be tucked in and belts should be worn with pants.

The uniform must fit properly. Polo shirts must be long enough to be tucked in and fit loosely; only the top button may be left unbuttoned. Button-up shirts must be buttoned (only the top button may be unbuttoned if desired), tucked in (boys), and not reveal any undergarments. Skirts and jumpers must come to the top of the knee when standing. Uniform skirts, skorts, and jumpers should be purchased at the correct length for our dress code; if the garment does not meet our guidelines, you will be asked to return or alter it until it comes into compliance. The length of a uniform bottom must remain long enough as your child grows, so the jumpers, skirts, and skorts have a 2 inch hem that should be let out as needed.

Students may wear boots to school and outside on the playground, but they must change into appropriate indoor shoes, such as sneakers, dress shoes, or sandals before entering the classrooms. Flip flops, high heels, and outdoor/work boots may not be worn to class.

The uniform fleece jacket is permitted in the classrooms, but other outerwear, snow pants, sweatshirts, etc should be removed upon arrival at school or after recess.

Girls School Uniform

Girls may wear the uniform jumpers, skirts, or skorts that come to the top of the knee when standing. Girls may also wear loose-fitting uniform pants. Tights and leggings may be worn under uniform bottoms, however, the clothing length must still come to the knee.

Girls may wear short-sleeved or long-sleeved polos or the 3/4 length blouse. Button up cardigans may be worn over the uniform shirt.

*Note: the skirts, skorts, and jumpers are available in a red, black, and white plaid, not the one pictured here.

Elementary girls may not wear nylons or make-up. Secondary students may wear minimal makeup to school, avoiding excessive amounts or unnatural colors, and may wear nylons to class and with the concert dress or formal wear.

Clothing must never be revealing through the girl’s normal range of motion. Clothing should fit properly and loosely. Undergarments or their hemlines and outlines should not be seen.

Extreme hairstyles and unnatural hair colors are not allowed.

Piercings are limited to 2 per ear.

Boys School Uniform

Boys may wear the uniform pants with a short-sleeved or long-sleeved polo shirt or a long-sleeved button-up shirt, available through our uniform supplier. Pullover cardigans may be worn over the uniform shirt.

No “fad” haircuts or unnatural coloring of the hair is allowed. Hair should be trimmed so that it is not touching the collar, eyebrows, or ears. Hair on the back of the head should be tapered.

Boys should be clean-shaven with sideburns no longer than the middle of the ear.

Girls Ordering Information

When ordering skirts, skorts, or jumpers, please pay attention to the length requirements. The top of the knee is defined as the top of the knee cap, so feel for that spot when measuring. I would recommend purchasing a skirt that is a little longer, so there’s more room for growth throughout the year, but there is also a 2 inch hem that can be let out as your child grows.

The different numbers for the skirts/skorts indicate the size of the garment; for example, #1521 is the skirt sized for elementary students and #3521 is for middle school and high school students. The sizes are measured like boy's pants, so you can measure the waist and order the length needed.

1. Measure the student’s waist and find the coordinating skirt size.

Size	Waist
24	24-25"
26	26-27"
28	28-29"
30	30-31"
32	32-33"
34	34-35"
36	36-37"
38	38-39"
40	40-41"
42	42-43"
44	44-45"
46	46-47"
48	48-49"

2. Decide how long you need the skirt to be, based on your school’s uniform guidelines.

Size	Length
XS	18"
S	20"
M	22"
L	25"

3. Match the two together to determine the size you need to order.

Example: Student’s waist measures 31” and you need the skirt to be 20” in length, you would order a
